***Allowable Subject Matter***

1. Claims 1-32 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious a container in combination with the other claimed limitations of claim 1:

"said first finish locking surface including a first channel extending through said locking surface and leading from said reservoir toward and an exit from said bottle".

The prior art fails to disclose or render obvious a container in combination with the other claimed limitations of claim 18:

"said finish locking surface including a channel extending through said locking surface and leading from a reservoir between said fitment outer wall and an inner surface of said finish to the exterior of said container at the top of the bottle".

The prior art fails to disclose or render obvious a container in combination with the other claimed limitations of claim 31:

"wherein said rim includes an opening for liquid emerging from said channel".

Further, the prior art fails to disclose or render obvious a container in combination with the other claimed limitations of claim 32:

"a second finish locking surface including a second channel leading toward the exterior of the container at the top of the bottle".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
